100 YEARS AGO: THEN AND NOW A Presentation by Dr. Margery Marcus

DECEMBER 15, 2019

3:00 PM

Western Europe under terror attack. America reluctantly drawn into conflict abroad. Contentious politics at home and headaches from Mexico. Women fighting for gender equality and new technologies making life better. Today's world? No, 100 years ago! Join Dr. Margery Marcus as she examines the remarkable parallels in history, politics, and daily life between 100 years ago and today. **Margery Marcus, Ed.D.**, is an award-winning English teacher, retired from Broward County Public Schools after a long and successful career, both as a district-level administrator and as a teacher. She has taught English at every grade level from middle school through graduate school, currently focusing on lecturing to adult audiences on fascinating topics.
