Rabbi Dr. Steve Moss

RABBI'S MESSAGE

There are some who, at the conclusion of Chanukah, see the Jewish calendar as being as dreary as the months of winter (at least up north). After all, there are no Jewish holidays until March with Purim, so these three months go by with only daily prayers and, of course, Shabbat. For me though, as a Rabbi, I don't agree. I am certainly active in doing all the many things a Rabbi does in caring for his or her congregation and preparing for our weekly Shabbat services with sermons and Torah teachings. However, once Tu B'Shevat arrives, as it did this year on February 6th, my heart rate begins to rise, my mind begins to fill with ideas, and my soul begins to flutter, as I know that the holiday season is almost here.

As I write this message

and complete my first six months as Rabbi of Temple Sinai, I look forward to this holiday season ahead. Student Cantor Dan and I are prepared for a wonderful and joyous Purim. Surely, the Temple's first night Seder and Shabbat, during Pesach week, will make this important holiday and its observance one you will not want to miss. I also do not want to forget to mention the importance of all of us attending the Temple Gala on March 19th!

I have been meeting Temple members at services, Temple events, and through focus groups and I must tell all of you how impressed I have been with the Temple Sinai community. I have found a wonderful group of women and men dedicated to Judaism and our community. These are people who came to Temple Sinai and have remained members because of our welcoming atmosphere and for the care that is experienced because of dedicated clergy and Temple members.

I urge all of you who are members, and those who read this Tablet because you are interested in Temple Sinai, to join with me, Student Cantor Dan and the leadership to continue in supporting and ensuring that the same spirit and feeling that brought you to Temple Sinai endures for decades to come.

Purim and Pesach are times to celebrate our history and traditions, let us also take this time to celebrate Temple Sinai.

Judy and I wish all of you and your families a Happy Purim and a zissen and kosher Pesach.

AN ALIYAH Is an honor.

One of the privileges of membership at Temple Sinai is to receive an Aliyah. Aliyot are given to all members to celebrate a birthday, graduation, anniversary, a bris or birth, a wedding, a B'nai Mitzvah, or for any special occasion.

TORAH READINGS & ALIYOT

Reading Torah - is an extraordinary privilege and a joyous gift.

Aliyot - an aliyah is the honor of standing by the Torah when it is read and reciting the blessings before and after the reading.

OTHER HONORS FOR WHICH CONGREGANTS MAY BE CALLED TO THE BIMAH ARE:

Petihah - the honor of opening and closing the Ark.

Gelilah - the honor of rolling up the Torah, fastening the belt, and replacing the Torah mantle and crown.

Hagbah - the honor of lifting the Torah and holding it open and upright for the congregation to see.

Shabbat Candle Lighting - the honor of leading the congregation in reciting the candle blessing.

Kiddush - the honor of leading the congregation in reciting the blessing over the wine.

Torah Carrier - the honor of holding and carrying the Torah scroll during the Torah procession.

Members participating should feel no obligation to make a contribution. It is our aim to give every member an Aliyah during the year.

When given a Bima Honor, Honor the Bima with appropriate attire. (Due to a safety issue, no flip flops).

As I sit in my kitchen on a Sunday morning ready to write our sisterhood article for the spring tablet my thoughts turn to Michele Levy ^{z"l} may her memory be a blessing. This article is dedicated to Michele. The previous Newsletter was written before her passing. I met Michele at Temple Sinai about 4 years ago. I was eager to volunteer and get involved with something at the Temple and she saw the eagerness in my attitude. She grabbed me and never let me out of her sight. Michele said, "you're with me kid, why don't you help me with the Oneg's." I said to myself "cool," I used to work in catering - I can do this. Every Thursday or Friday morning I would help Michele get the Oneg's ready. Then Michele said, "Why don't you meet me at BJ's and I will show you how we buy the food. I was still new to the area, and I said ok...what's BJ's? Michele explained it to me. We would go to BJ's every other week. Michele would say "Grab the Challahs (6) ... oh, and everyone loves the rugalach we need to also get some cookies." It was so important to Michele that we had everyone's favorite sweets, especially the Black and White Cookies! Some people would come to Temple just to get those Black and White Cookies. Sometimes we would even go to a special bakery in Boynton Beach for special occasions. Then the following year we asked Susan Postol-Sweet to help us and other Sisterhood Members. The ONEG was such an important part of Sisterhood as we were now intertwined and made sure this was taken care of each week. Michele showed me the ropes of Sisterhood. Michele said, "do not over do your volunteer commitments because you are with me kid and I don't want to see you get burnt out." I became her Co-President. At that time, I was still going through my divorce, and it became a bit much to take on the responsibility. So, I backed out. But I still helped Michele behind the scenes for the rest of the time. Michele would call me on the holidays and say come to our house as nobody should be alone on the holiday's. Every year she would ask me to join her and Eugene. She always spoke about her great nephews and was gleaming with a huge smile on her face, they were her grandchildren. I was privileged to have Michele as one of my closest friends. She was a wonderful confident and gave solid advice. She was funny and loved watching Tennis and playing Harry Potter online. If her computer went down, I would rush over to her house and fix it because that is what friends do when you know that their favorite game is off-line. I could write on and on about Michele Levy but there is just so much room in my Newsletter.

As we get close to Passover, I will be thinking of Michele and all the wonderful times we had together. My dear friend you left this earth too early. Thank you for showing me the ropes of Sisterhood.

Chag Sameach! Wishing everyone a happy Passover— Susan Goynshor

...along with all of the ill among us. Grant insight to those who bring healing, courage and faith to those who are sick, love and strength to us and to all who love them. God, let your spirit rest upon all who are ill and comfort them. May they and we soon know a time of complete healing, a healing of the body and a healing of the spirit and let us say: Amen.

Temple Sinai Brotherhood News

March – April 2023

Temple Sinai Brotherhood is about helping Temple Sinai and Judaism. How we can get to know each other better in the process. How we can share our life experiences and have fun in the process. And especially help support our Temple and community.

Upcoming activities for 2023

- March 26th Presentation by Scott Solkoff on couples' law
- April 16th Sidney Wartel "From Ur to Eternity." How the Torah and Talmud influenced our current system of laws and justice today,
- April 30th Field Trip to Gulfstream Park for a day at the Races!
- May – another Bingo Brunch?
- June another movie night?

We will finalize many of the above tentative dates at our March Board meeting.

The Feb. 26th Sunday Bingo Brunch was wonderful! We had many, many happy players. Some come just for Stan Rieger's Famous Eggs. Ok, and they also want to play and win Bingo! Thanks to all the volunteers that made it possible. We were also very happy to have many Temple Members come. All Temple Members are always invited to our Wednesday evening 6 PM Bingo as well. We look forward to the next Sunday Bingo event. We gave away (and made) \$500 with the Super Bowl Pool. Yay for the winner Kanas City. We also had several well attended presentations. Rabbi Agin spoke on the mysteries of the American Dollar Bill. Dick Goldman taught us about genetics. We showed the movie "A Call to Spy." It went so well we hope to do another in June.

We need at least 40 people to sign-up for the Gulfstream Park trip. So please do!

We are looking into joining a national Brotherhood organization. If you have any thoughts or comments about this let us know.

Back to regular Brotherhood business. New Temple members get a 1-year complimentary membership in Brotherhood. All others are welcome to join. Our dues are \$18 annually or \$100 for lifetime membership. Call the number below or email.

Our monthly Board meetings are now the first Thursday evenings of the month at 7 PM. We welcome all Brotherhood members and anyone else that may be interested in joining.

We also welcome help with our projects and events. Please let us know if something interests you!

Kaddish Prayer Member Condolences

Your Temple Sinai family sends its most heartfelt sympathies for your loss. Our thoughts are with you and your family during this difficult time.

"May God console you among the other mourners of Zion and Jerusalem.

"Hamakom yenachem etchem b'toch she'ar aveley tzion v'Yerushalayim."

Temple Sinai mourns the passing of our cherished member, Richard (Dick) Herman ^{z"l}. Dick was past President of Temple Sinai Brotherhood, and a member of the Board of Trustees. We send heartfelt condolences to his wife, Judy, and to their entire family.

Temple Sinai sends its heartfelt condolences to our dear friend, Rabbi Aviva Bass on the loss of her beloved father, and to his wife, Iris Bass and their entire family on the loss of her beloved husband, Dr. Harold (Hal) Bass ^{z"l}.

Temple Sinai sends its heartfelt condolences to our dear friend & member, Howard Kohn and their entire family on the loss of his beloved grandson, Brian Kohn ^{z"l}.

Temple Sinai sends condolences and mourns the loss of our dear friend & member, Arnold Drapkin ^{z"l}.

Temple Sinai mourns the passing of our cherished member, Samuel Wineman ^{z"l}. He was a member of the Board of Trustees of Temple Sinai. Sam was the beloved husband of the late Beverly Wineman and loving companion of Ruth Seidel. Cherished father of Laurie Rhein and stepfather to his extended family. We send our deepest condolences to his entire family.

Condolence Notices

When our congregants experience a loss in their immediate family (spouse, sibling, parent, child) we want to send out a condolence notice via email, notifying the rest of the congregation in a timely manner. Our clergy also wants to make sure to add them to the list of recent deaths (within the past 30 days) that is read on Shabbat. **This depends entirely on the surviving family providing the following information to our office staff at 561-276-6161 x112, or Co-Presidents, Lynne Weinstein x116 or Betti Adams x122.**

- Name and date of the deceased (before or after sundown)
- Time and place of the funeral or memorial service
- Time and address of the Shiva following the funeral or memorial service
- Information on where to make a donation in memory of the deceased

Let your Temple Family be there for your sorrows as well as your Simchas.

SAVE ON TAXES?

You can **avoid taxes and save money** by having a distribution from your Individual Retirement Account (**IRA**) sent directly to Temple Sinai. The donation can be used to pay dues, towards a temple project or as a general donation (this can be used by the Temple as needed). The funds must be sent as a Qualified Charitable Distribution (**QCD**). **Contact us** about your plans, then ask your IRA trustee or custodian how to proceed.

You can **avoid capital gains** taxes on appreciated shares of stock that you own by donating the shares to Temple Sinai. As above, the money can be used for any temple bill, project or as a general donation.

Contact us and we will give you instructions on what to tell your broker. After the shares are transferred to our account, we will sell them and credit your account for the net proceeds (after the fees and expenses are paid). If you have stock that you don't want to sell because of the taxes, this is a win/win for both you and Temple Sinai.

You should realize savings even if you don't itemize. *If you do, it shouldn't count as income AND you should be able to take the deduction.* As with any financial matter, you should consult your own financial representative or tax advisor to see if these techniques will benefit you.
